

Additional Urgent On The Day Bookable Appointments

Glenfield Surgery will be providing additional access to primary care through **additional URGENT on the day bookable appointments** for 8 weeks over the remainder of the 2017/18 winter period.

This scheme aims to create additional capacity, including the opportunity for early morning (before 8am) and evening (post 6.30pm) appointments, to alleviate pressure within the urgent care and emergency department system.

This scheme will run for eight weeks commencing 22nd January 2018
